Please, send in a check for \$5 made out to National Geographic for their National Geographic Explorer year-long magazine.

Binder Setup Instructions

Your child will be using a 3-ring binder this year. This can be quite a challenge. It must be at school daily and is an important part of your child's study skills program. If it is left at home, your child will be missing materials necessary for daily studies. He/she will have to call home and have it brought in or have an immense amount of work to makeup. PLEASE check frequently to see the binder is complete and CLEAN!

Prior to the first day of school the dividers should be labeled as follows, starting from the beginning of the binder and progressing toward the back. It is easiest if the first section's divider is the one closest to the top of the page.
