Welcome

Board

Old Business

Approve Minutes from Previous Meeting - *Cali Thornton approved old minutes
Jess Gandy seconded the minutes*

Upcoming Fundraisers - SSV Night at Costa Vida 5/22 4-9pm

Principal's Report

Carol

- Mrs. Guizar is attending a Kids at Hope Conference (absent)
- Volunteer Appreciation Breakfast – June 6th (same day as Field Day) since many volunteers will be attending the Field Day. 8:15-9am
- Invite folks within a time frame and their kids can eat breakfast during the event

Treasurer's Report

Katie

- Carnival brought in \$3,468.00

Monthly Recap

Board

Feedback from attendees on carnival:

- Liked having prizes at the games but did require more than two volunteers to run each game
- Suggested to decrease the number of games
- Suggested that every child gets a prize for trying so that we don't have upset kids and/or parents.
- Use different wristbands (prefer the tape ones)
- Liked the bags for kids to store prizes (suggested them for Destination Night)
- Raffle feedback: suggested to have tickets sold at the raffle table, have pens at the table, preferred the raffle baskets by grade level

Teacher Appreciation Week (now)

- Costa Vida catered luncheon
- CDs with teacher inspired songs & CD cover

Yearbook Update

Jess

MINUTES

- Met our goal of selling 200 books. We ordered 25 more but the price increased from \$18 to \$25 per book.

New Business

All

- Movie Night – This Friday, May 11 – we will have chairs going around the back, we will be selling candies &
- Costa Vida Night – May 22- flyers coming home
- Mother Son Bowling – May 31 – due to the excitement from that last year we decided to keep things basically the same. We will be at Atomic instead this year and the cost is a bit more because we are doing to games.
- Field Day – June 6 (need volunteers) - the magnet – says the 5th grade party is this day also – the party will be moved to a different day as the teachers have already requested that it not be on that day.
- Bubble Run Award – rescheduled to the End of Year Picnic on June 8.
- Ice Cream Jog-a-thon Award – Needs to be schedule – 5 or 6 earned that this as an award with the Mustang Stampede. The sweat suits have finally arrived and will be passed out.
- One more Pizza Night – it was offered to us to do the additional pizza night and the staff would be the delivery people. Although the staff is on board – we are running out of school year and are suggesting to push it to early next year? Especially with the addition of the Costa Vida night.
- Treasurer Position Vacancy – Katie lives in the new Amon Creek boundaries and will be leaving SSV at the end of the school year. We will need to find a new recruit for next year.
- 5th grade End of Year Celebration Plans
 - o \$200 fund already slated for the party scheduled
 - o Additional meeting with 5th grade parents to complete plans
 - o Pick a date to continue the meeting and we will send a flyer out for more parents to help. See if May 16 at 5:30 – available for additional meeting?
 - o Party will be moved to June 12 at 1:30 – 3pm
 - o Feedback from last year - they spent \$ on frisbees to be signed but those broke same day and were not really signed.
 - o T-Shirts were better loved – orthodontist donated them last year at the last minute.
 - o Suggested - No water balloons as it was out of control last year and the organized game did not even get to be played. Even water bottles were wasted.
 - o Suggested to keep the activities simple as much work was put into organizing fun ideas that weren't able to pan out well because they weren't following directions.
 - o Question – What is the purpose of this event? Fun for the 5th graders as they are finishing elementary school. How much time? Usually about 2 hours. Last year 1 – 3 pm but 2 hours was too long.

MINUTES

In the past it was a special breakfast on the early release day for report cards.

- What are ideas for this year's party?
 - ~ Should there be a mister since they were dumping their water out as they were too hot?
 - ~ Jess wants to do a photo booth – the rent-a-photo booth was \$500 though, they are willing to lower it to around \$300, suggestions to just post pics on fb for people to download
 - ~ Someone needs to solicit for donations for things like the T-shirts
 - ~ Carol mentioned whatever is happening – think of all the details
 - ~ last year they had Snowies and it was a big hit, also seen Kona Ice around town recently and heard they give 20% kickback for schools.
 - ~ One year they party was outside with bouncy houses – those are difficult.
 - ~ Volleyball & Kickball was fun and kids really enjoyed those.
 - ~ One year water relay races were a success but the next year they weren't
 - ~ Really whatever the activity is, they simply need to be well managed and manned and then it will be successful.

- 4th grade had a HUGE thank you for providing the extra funds for the salmon summit field trip. It was the first time the 4th grade was able to participate in years! They loved the shirts and the event

Raffle/Adjournment

Board

- Dutch Bros gift card - Lorraine won for parent & Mrs. McLean
Calleigh would like to motion to adjourn and April will second it. All in favor and approved.
