March 7, 2018

Sunset View is once again participating in The Leukemia and Lymphoma Society's (LLS) Student Series fundraising program, commonly known as Pennies for Patients. Your child will be helping local cancer patients beat their disease by raising funds needed to support blood cancer research. By collecting donations, LLS is able to find effective cancer therapies that, over the last 50 years, have increased the childhood leukemia survival rate from 3% to 90%. LLS also provides financial support to families affected by blood cancer to help combat the high cost of cancer care. Last year we raised \$1,003 and the previous year we raised \$1,285. Our school goal this year is \$1,500. Our fundraiser will run between March 22 and March 30. To promote our fundraiser, we will be doing the following school-wide:

Spirit Themes:

- **Monday, March 26:** *Wear Red:* Support finding a cure by wearing red today!
- **Wednesday, March 28:** *Donate a \$1 today and you can wear a hat:* Students will receive a sticker if they donate to their classroom's collection and may then wear their hat all day at school. Thanks for donating!
- **Friday, March 30:** *Mustang kids and staff are super heroes:* Dress as your favorite super hero or be your own super hero! Either way, when we help others we all win!

Top Earners:

- Top class earns a pasta lunch provided by Olive Garden
- 2nd top class earns donuts
- 3rd top class earns pop corn

School Goal of \$1,500

- **If the school reaches our goal, Mrs. Guizar will participate in a silly activity at the next assembly in April, voted on by students. Pie in the face, covered in silly string...what will it be?!?! We will have to reach out school goal to find out!**

We are proud to have the opportunity to support The Leukemia and Lymphoma Society and raise money to support those in need.

Sincerely,

Heidi Guizar, Principal
