Principal's Report

Carol

- Things are going well so far this year.
- Parking lot out front has been going well and most every is following the procedures so it is going well
- Rumor has it that the back lot is crazy, Alyssa has volunteered to start a back lot brigade, Cali said she can include it in the Newsblast. Erin mentioned that perhaps it is the late people and Carol agreed that it might be as we have a lot of people
- Lots going on this month with the Mustang Stampede and Author visit and quickly after that is the Veteran's Assembly and Destination Night.
- Destination Night on 7th so we can't do the Mustang Pride assembly that afternoon so Carol asked that we move it to Nov. 14. Alyssa mentioned that is book fair but then it was thought that perhaps this is even better as parents will be brought in for the assembly and she can stay open for book fair. Shantel asked what the Assembly is for and what to do for it. We discussed what it is and how it is picked.
- It was discussed that the invitations should be mailed home – the students need to be decided upon earlier so that we can get the shirts in time.
- We need to get the sizes no later that 10/31 so we can order in time.
- It was suggested that it could be possible that Specialists can also pick – perhaps they take turns and 1 or 2 specialist pick each trimester.
- Kinders have no school this Friday for WA Kids
- No school on Oct. 19 and the staff is doing Responsive Classroom Training and all are excited about what that will bring
- Mustang Buck Drawings – if people have anything to donate to the treasure box, it would be very much appreciated.

Treasurer's Report

Board

- We have one – Erin Manukure! She is all set up at the bank and has been given the documentation "baton". She will give a more complete report next month.

Monthly Recap

Board

- Completed Spirit Wear Orders – should be arriving next week – hopefully in time for Mustang Stampede!
- Skate Night – great turn out – we received a \$90 kick back
- Pizza Night – success – we raised \$184.41
- Teacher Reimbursements – each teacher can get \$100 – if you turn in receipts before spending it all – please try to keep track of where you are with your spending.
- Organizing Mustang Stampede – confirmation email will be going out soon to volunteers – the forms are trickling in. 4th & 5th grades need a bit of a push to get a few more volunteers.
- If people have signed up that aren't cleared, an email has gone out for parents to sign up on the volunteer form ASAP
- Question for the surprise prize deadline – if they don't turn it in by then do they not earn any prizes? Answer – no, the surprise prize deadline is just to encourage the envelopes to be turned in early so we can get an idea of how the fundraising is going. If it is turned in by that deadline, that only means they get put into a drawing for that surprise prize.
- Extended prize qualification deadline was requested. It has been decided that if students turn in their donation envelopes by October 22, they can still qualify for prizes.
- Teachers don't forget to complete banners with your students.

New Business
