

# SUNSET VIEW ELEMENTARY

## MUSTANG UPDATE

### What's Happening

- **Thank You!** Thanks to all of the dads, uncles, grandfathers and other adult male role models for coming out in the snow to make the Sweet Moments Father Daughter Dance so much fun! Also thanks to all who volunteered to help create the memorable event.
- **Black History Month** - As February is winding down to a close, we wanted to take a moment to highlight some of the fun things classrooms have been doing in honor of Black History Month. Students had many opportunities to learn about important African American figures in our history through our January Martin Luther King Jr. assembly and various stories and activities both in some of their specials and in their classrooms. Ask your students what new information they learned!
- **Dr. Seuss Week** - This week the library is sponsoring our celebration of Dr. Seuss' life with fun themed days. [Click here to see what the dress up theme is and the book that corresponds with it.](#) Remember to have your students send back those strips of red or white paper for every 20 minutes they read (last week or this week) to add to the chain in the library.
- **Internet Safety** - At February's PTO meeting we had a special presentation from the ICAC taskforce, explaining many different things parents should be aware of in order to best keep their children safe. The officer shared a resource that we thought all parents may be interested in having. It is a User Agreement for you and your child as they are using electronic devices and the internet. [Click here for a copy.](#) There is another opportunity to see this presentation at the Richland Library if you missed the presentation at Sunset View. [Click here for details.](#)
- **Early Release** - Please mark your calendars as we have a half day for report card prep this Friday. Students will be dismissed at 11:27 am. Lunch is not served on half days. There are also half days for parent/teacher conferences on Thursday, March 15 and Friday, March 16. School will be dismissed at 11:27 am those days as well. Please keep an eye out for conference request forms coming home soon.
