

Mustang Update

Reminders

Emergency Information MUST - Recently, we mentioned if your contact information has changed we need it updated with the office. It is imperative that we have up to date contact information for all of our students. In the case of an emergency, if all of your contact numbers are no longer in service, we will be calling 911. Please be sure you take a moment and make sure the office has all of your accurate contact information.

Lost & Found - After students leave on Wednesday, December 19, all contents remaining in the Lost & Found will be donated. Remind your child to take a look in the next few weeks. If you have time, stop in just to double check that you aren't missing any clothing items you didn't realize were gone.

PTO News - PTO will be hosting our annual holiday showing of The Polar Express on Friday, December 7 at 6:00 pm in the gym. Students may come, with a parent or adult, wearing their pajamas and bring comfy

blankets and pillows to spread out on the floor. There will be small fee concessions available and PTO is also hoping to have our Penguin Patch Holiday Store open before and after the movie for a short time so that any students who need parent assistance with shopping may do so then. The Holiday Store will be open during school each Wednesday between now and break. Any students who bring money on Wednesdays will be allowed to visit during the school day. If you would like to preview the merchandise with your child as you are helping them budget, please [click here](#).

Giving Tree - Every year our Mustang family comes along side a few of our own families and assist them with some gifts for the holiday season. Our families for this year have been selected and Mr. Paulakis has worked with them to find out some of their needs and wants. Our third graders worked hard to create ornaments for the tree during Technology class and the desired Christmas items are listed on the back of the ornaments. If you are willing to assist us in helping out these families, please stop in and grab an ornament off the tree. You may also send a note with your child giving them permission to get one if you would like. Please purchase the item, wrap it, attach the ornament to the wrapped present and return it to the school by Monday, December 17.

Upcoming Events

Monday, Dec. 3
