

Mustang News

Welcome to the 2018-2019 school year!

We are so excited to see everyone this week. Our Mustangs are off to a great start in their adventures of this school year. We have many new faces both in our student body and on our staff. Over the first few days we will spend a lot of time getting to know each other and building relationships with one another. At Sunset View, we believe that connecting with our students is a priority and a requirement for creating the optimal learning environment. We desire for each student to feel they have a strong connection to a trusted, caring adult within the school building and we work to foster those relationships.

We are a [Kids at Hope](#) school and if you are not familiar with what this means, you will hear all throughout the school year how Kids at Hope drives many of the beliefs we hold to help our students be successful.

We are looking forward to partnering with you to have a wonderful school year!

Reminders

Mornings: The school opens at 8:15 a.m. for students who are coming to have breakfast. If your child is not having breakfast at school, they should not arrive before 8:30 a.m. Our adult supervision begins outside at the various line up areas at 8:30 a.m. If you are in need of before school childcare, the YMCA is a great option. [Click here for more information.](#)

Wednesdays: Each Wednesday, Kennewick School District elementary schools have early release. Students are released at 2:00 p.m. On these early release days, staff attend meeting in various teams to ensure academic needs are being met for each child.

Pick-Up: As many of you know, our parking lot is rather busy. We have a few procedures that we follow to help create a safe and smooth moving environment. If you are unsure of our parking lot procedures, [click here for more information.](#) Please note that whether in the parking lot or picking up children at the back of the school, safety is our number one priority. Please join us in helping students make good decisions and stay safe by using the crosswalks. Thank you for your attention to this matter!

Volunteer: This year our volunteer form & background check is all online! Please take a minute and [fill this out.](#) Many times volunteer opportunities have a way of sneaking up on parents and they are not able to help if this hasn't been completed. If you do it now, you will be ready! They do have to be completed each school year, so even if you think you just did it last year, it does have to be done again.

Upcoming Events

Monday, September 3
No School - Labor Day

Friday, September 21
